

Curious about wastewater treatment?

The Napa Sanitation District offers free tours of the Socol Water Recycling Facility, a state-of-the-art wastewater treatment plant.

These tours are available for:

- Students of all ages, from elementary to college level. We tailor the tour to your group. And we pay for the bus!
- Organizations, service clubs and businesses.
- Any group with an interest in wastewater treatment and water quality protection.

A tour of the Socol Water Recycling Facility will satisfy your curiosity on these exciting topics and more:

- Wastewater treatment
- Water recycling
- Biosolids reuse
- Pollution prevention
- Water quality protection
- Generating electricity from wastewater

Three-in-One Tour

Interested in drinking water and recycling too? You can schedule a three-part field trip that includes the wastewater treatment plant, the Jamieson Canyon Water Treatment Plant, and the Napa Recycling and Composting Facility. Bus stipends are available for school groups.

To schedule a tour, please contact:
