

Pills piling up?

Take your expired or unneeded medications to Clinic Ole.

Protect your family and the environment!

Drop off your medications FREE of charge at any of three Clinic Ole offices.

Examples of Medications:

- Prescription medications
- Over-the-counter medications
- Inhalers
- Syrups
- Homeopathic medicines
- Supplements
- Sprays
- Ointments/Creams

Controlled substances are NOT accepted.

IMPORTANT Disposal Instructions:

- Remove medications from bottle or container (except liquids).
- Place medications into a zip lock or sealable bag.
- Place zip lock bag with medication into secure medicine drop box at one of the three Clinic Ole locations.
- Remove or cross out personal information from medication bottle or container, then place in recycling.

Don't flush your medicines down the toilet or throw them in the trash. They can harm the environment and our water supply!

Each clinic has a different schedule – please call the clinic for hours:
